01 Preparation

MORTGAGE PRE-APPROVAL

Determine what you can afford and work with a lender to get pre-approved for a mortgage. Be prepared with a down payment, 20% is the ideal number, but this varies depending on the type of loan. Being pre-approved will indicate to sellers that you're serious about home buying and allow you to make offers on homes.

HOUSE HUNTING

Work with your Real Estate agent to compile a list of homes that fit both your budget and your ideal features. Your agent will arrange viewings so you can find the right home for you.

BIDS & NEGOTIATIONS

When you find the right home for you, your agent will present a fair offer on your behalf. Be prepared to negotiate to determine the price that works best for you and the seller. Don't feel put out if your offer is rejected or countered, this is all a normal part of the home buying process.

02 Confirmation

HOME INSPECTION

A home inspection is the immediate step after a bid is accepted by the seller. Although it is not required by law in all states, you will gain valuable insight into the condition of the property. If the sale is dependent on the results of the home inspection, you have a limited window of time to complete it.

OBJECTION | RESOLUTION

Depending on the results of the inspection, you may have the opportunity to counter-bid to request certain faults or problems be repaired or deducted from the agreed upon price.

HOME WARRANTY

A 1-year optional warranty may be available to cover repairs on appliances and systems in the home. This may include the HVAC, plumbing, and electrical systems of the home.

03 Legal Steps

TITLE SEARCH

Before your purchase can be considered legal, you must contract a Real Estate lawyer to complete a Title Search. This examination covers all city records of the property's title history, including deeds, court records, indexes, and other documents. The purpose of this search is to confirm the seller has the legal right to sell the property in question, and that there are no hindrances that may prevent the buyer from taking full possession.

FINAL COMMITMENT FROM LENDER

Once these steps are completed to satisfaction, your lender will issue a Final Commitment Letter. This letter covers all loan terms and agreements for the mortgage they are granting for this purchase. It will also outline all mortgage fees and any stipulations prior to closing.

APPRAISAL

An appraisal is required by the lender to ensure the value of the property meets the value of the loan. Although this is in their best interest, it also confirms you won't be over-paying for your new home! Typically, the lender contracts the appraiser, and incorporates the fee into the closing cost.

Safety Requirements

PROOF OF INSURANCE

An additional stipulation of the mortgage agreement is proof of homeowner's insurance. You can incorporate this fee into your monthly payments.

CLOSING PAYMENTS

Towards the end of the sale, you will be presented with your Closing Disclosure, which will outline the total closing costs required to finalize the sale.

GATHER INSPECTION RECEIPTS

We will gather receipts & documentation for inspection repairs that were agreed upon within the Inspection Resolution.

Don't Forget About *Financing*

Before closing on your new home, there are some key times you need to check in with your lender! Don't risk getting caught off guard by a refusal to commit.

LARGE PURCHASES

You might think pre-approval means you're set to go, but you should avoid making any major purchases that require opening a new line of debt until after the close of your home. This includes things like student loans, car purchases, or large furniture purchases. Don't risk losing your mortgage approval!

ADDING CREDIT

Do not open any lines of credit or apply for new credit cards without speaking with your lender first. This will alter your original income and debt ratios that your approval was dependent on.

MAINTAIN YOUR CREDIT

Don't miss any bill payments! This is the easiest way to maintain your credit during the closing process.

LARGE TRANSFERS

Your lender may flag your account as suspicious if you transfer large sums of money between accounts or make any large undocumented deposits. This could risk your approval.

DON'T QUIT YOUR DAY JOB

Your mortgage approval was dependent on stable income. Don't change jobs during the closing process, or you may be deemed too risky for your mortgage.

05 Final Pieces

UTILITIES

Prior to closing, you should schedule all utilities to be changed to your name in time for when you take possession of your new home.

FINAL WALK THROUGH

This is your opportunity to make sure it's in the same condition as the inspection, and to review any outstanding items required by the agreement. It's an opportunity to have peace of mind before the sale finalizes. Although this step is not mandatory, it is highly recommended.

CLOSE OF SALE

This is the process that finalizes your purchase! Now that everything is official... you will sign, get your keys & take possession!

Closing Thoughts

YOUR CLOSING CHECKLIST:

- Bring your valid, government-issued ID.
- Have a cashier's check ready for the total amount due as laid out by your Settlement Statement.
- Obtain any outstanding documents required by title company or lender.

THE FINAL CLOSING PROCESS

By reviewing your contract of sale, the escrow officer will be able to determine what fees are owed by whom and prepare your final closing documents. Part of conducting the closing will also involve ensuring all fees are paid, the seller receives the money owed, and that the Buyer's title is recorded.

THE COSTS OF CLOSING

Both the Buyer and Seller will incur various fees over the course of the sale. For the Buyer, these fees typically include:

- Mortgage Application fees
- Underwriting fees
- Title Search
- Appraisal fees
- Homeowner's Insurance
- Escrow fees
- Notary or Recording fees
- Home Owner's Association or Condo fees, if applicable

POST-CLOSE REMINDERS

Keep all your closing documents.

KRISTIN GILARDI
REALTOR®

When it comes to experience, I have been on both sides of real estate with purchasing my own home and being the agent. I bought my first home at the age of 21 and worked for Richmond Homes. I learned a lot about the building process and everything behind the scenes. After purchasing several homes in Colorado I finally decided to get my license in 2019. I started my career there but I've since made the move to beautiful Florida. I absolutely love living in this beautiful state and continuing to help my clients purchase and sell real estate. It's my passion!! I'm very detailed and passionate about what I do, so my goal is to be the best advocate for you!
