Anastasia and Ray were absolutely incredible to work with! Anastasia was extremely diligent and dedicated to helping me find my dream apartment. As a first-time homebuyer, she worked around the clock to answer any questions I had and provided guidance every step of the way. I can't recommend them enough for their real estate services.

We met Anastasia a number of years ago. Her support and care and availability to answer questions and offer support during a period of time where we weren't selling or buying was amazing. If you are looking for a real estate professional that is in it for your best interests regardless of your situation - short or long haul, her expertise and care is world class....
..Professional, punctual, superb work product, and amazing communication navigated us from pre-listing through to closing without a misstep. Thank you for your amazing care and support.

This was my second time working with Anastasia and Ray. They helped me find my first home, then helped me and my partner move up the real estate ladder. Throughout the process Anastasia was attentive, communicative and worked with our interests in mind. Her and Ray were a pleasure to work with and we'd enjoy working with them again!

— Chelsea B.

I sold my home through Ace Partners and was very pleased with the process! Anastasia went above and beyond to present my home to buyers that resulted in multiple offers.
