# FALL HOME MAINTENANCE CHECKLIST

# STAY AHEAD OF SEASONAL MAINTENANCE AND PROTECT YOUR BIGGEST INVESTMENT... YOUR HOME.

**Stay ahead of seasonal maintenance  
and protect your biggest investment—  
your home.**

- ❑ Clean gutters + downspouts to prevent clogs and water damage.
- ❑ Schedule a furnace inspection + replace filters for efficiency.
- ❑ Seal windows and doors to cut down on drafts.
- ❑ Trim trees/shrubs away from roof and siding.
- ❑ Disconnect + drain outdoor hoses before frost.
- ❑ Sweep chimneys + prep fireplace for safe use.
- ❑ Test smoke + carbon monoxide detectors.
- ❑ Store outdoor furniture + cover grills.
- ❑ Check roof for loose shingles or leaks.
- ❑ Rake + compost leaves (or use as mulch).

💡 *Pro Tip:* Tackle these tasks in September before the cold sets in. You'll save money on energy bills and avoid expensive emergency repairs.
