

The Ultimate Hurricane Preparedness Guide for Savannah, GA

If you live in Savannah, Georgia, you already know hurricane season isn't something to take lightly. Our beautiful coastal city is no stranger to powerful storms-and when one hits, it's too late to start preparing. That's why I created this guide: to be the only hurricane guide you'll ever need.

You don't need to bounce around between 10 different websites or wonder if you've forgotten something critical. This PDF lays it all out in one place-with links for each section to go deeper when needed.

1. Stay Informed

[Click here for more info: https://www.weather.gov/](https://www.weather.gov/)

Knowing what's coming is the first step in staying safe.

- Weather Updates: Use trusted sources like NOAA or your local news station. Download weather apps.
- Emergency Alerts: Sign up for CEMA alerts and keep a NOAA Weather Radio nearby.

2. Make a Family Emergency Plan

[Click here for more info: https://www.ready.gov/plan](https://www.ready.gov/plan)

Disaster plans save lives-especially when families get separated.

- Communication Plan: Make sure everyone knows how to reconnect.
- Evacuation Routes: Know your local zones and shelters, especially pet-friendly ones.

3. Prepare an Emergency Kit

Think 3 days minimum. Don't wait until stores are empty.

- Food & Water: Non-perishables, bottled water, and manual can opener.
- First Aid: Full kit with essentials.
- Documents: IDs, insurance, and medical info in waterproof container or cloud.

4. Secure Your Home

[Click here for more info: https://www.flash.org/](https://www.flash.org/)

Small steps now can prevent major damage later.

- Trim Trees & Shrubs: Prevent flying debris.
- Window & Door Protection: Install shutters or have plywood ready.
- Roof Maintenance: Fix leaks and inspect structure.

5. Evacuation Preparedness

[Click here for more info: https://www.chathamemergency.org/evacuation-info](https://www.chathamemergency.org/evacuation-info)

If an order comes, don't hesitate-go.

- Follow Orders: Authorities will give evacuation instructions.
- Go-Bag: Clothes, meds, IDs, pet supplies.
- Notify Others: Let someone outside the zone know your plans.

6. Pet Safety

[Click here for more info: https://www.asPCA.org/pet-care/general-pet-care/disaster-preparedness](https://www.asPCA.org/pet-care/general-pet-care/disaster-preparedness)

Your pets rely on you-make sure they're safe.

- Identification: Tags and microchips.

- Pet Kit: Food, water, meds, leashes, carriers.

7. Financial Preparedness

[Click here for more info: https://www.consumerfinance.gov/coronavirus/managing-your-finances/hurricane-](https://www.consumerfinance.gov/coronavirus/managing-your-finances/hurricane-)

Storms disrupt more than power-they disrupt finances.

- Cash: ATMs may be offline.
- Backup: Digitally store financial documents securely.

Remember, hurricane preparedness is a shared responsibility. Share this guide with your neighbors and community to help strengthen our collective resilience.
