The 60-Day FSBO Plan

“To give real service, you must add something which cannot be bought or measured with money, and that thing is sincerity and integrity.”

Donald A. Adams (The Rotarian, August 1926)

ENGEL & VÖLKERS

Hello! I'm Jeff Landers with Engel & Völkers Indianapolis, serving Greater Indy for the past 20+ years. I've created The 60-Day FSBO Plan in order to enable independent sellers like you more confidently navigate the selling process. Selling your home with or without an agent can feel overwhelming, so I wanted to share proven strategies, resources, tips, and checklists to guide you step by step. Why am I doing this as a real estate agent? Because I'd rather provide value now, and be your go-to resource if you ever need professional support in the future. Cheers to a smooth, profitable sale!

Best,

Jeff Landers
