DOWNSIZING:

What the heck is it? Let's make sure we are all using the word the same way!

What it is

To move to a smaller home. It's the adaptation of your lifestyle to meet your current needs, with greater freedom

More than

Decluttering or streamlining your "stuff", a fresh start and a simplification of your lifestyle

Strategic choices

Live in a home suited to your circumstances, interests, location and amenities.

If & When

Make the move at the right time, but not too late! Don't wait until it is too difficult emotionally or physically.

Why

DOWNSIZE?

There are many reasons to pause, delay, seek the ideal solution, or procrastinate. Is this the best choice for you? Are you prepared, capable, and almost ready to make the decision to downsize?

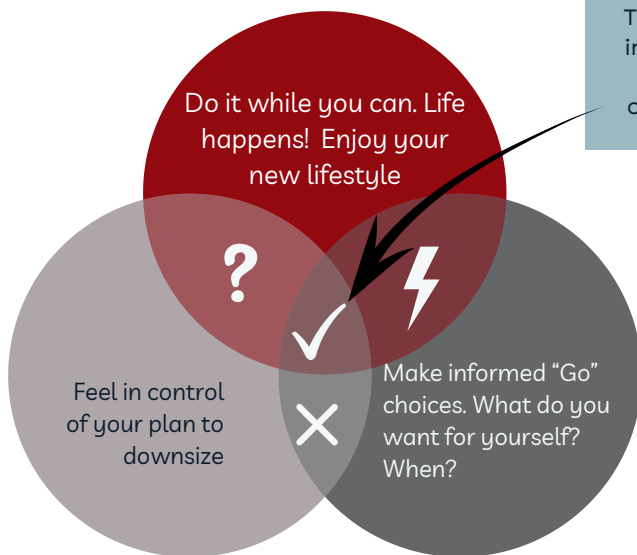

What is your big WHY?

You've been contemplating this for a while now, and it's time to dig deeper into your motivations. What are the recurring thoughts that keep surfacing in your mind? Identifying your big "WHY" is essential, as it serves as a compass to guide you through your decision-making process. Understanding the problem you're aiming to solve for yourself will provide clarity and purpose. Take the time to articulate these motivations, and let them inspire and guide you on your journey.

Where do you START?

The journey of selling a home can be both exciting and overwhelming, but a well-structured plan can make all the difference. By following our proven process, you can effectively prepare your home for the market and maximize its potential value.

Your EXPERIENCE

The sweet spot: Making informed choices while you can will help you control your outcomes

The sweet spot

It's where everything comes together - having a plan, feeling in control and making the choices and taking the leap to your new lifestyle!

Plan

Thoughtful preparation is crucial for maximizing your home's value, staying within budget, and efficiently using your time & energy.

Do it while you can. Life happens, and things can change unexpectedly! Embrace and enjoy your new lifestyle.

Choices

Designing your future involves recognizing your power to shape your destiny with informed choices that reflect what you truly want to create a future that reflects your identity and desires.

Taking proactive steps allows you to make choices that give you a sense of control and value in your situation.

Control

To feel in control, take proactive action. Embrace the process to increase your ability to manage emotions and the timing to achieve the maximum value for your home.

Our TEAM

Make a PLAN

Downsizing presents challenges – decluttering, managing finances, and moving – but with our expert real estate guidance and compassionate assistance, you'll experience a smoother transition and a rewarding new beginning with a more manageable lifestyle and enhanced financial ease.

Our short questionnaire below will help you clarify your thoughts and start defining your path forward.

On a scale of 1 to 5 (1 being not at all, 5 being definitely),

Does your current home require more maintenance than you'd prefer?	1	2	3	4	5
--	---	---	---	---	---

Are there rooms in your home that you rarely use?	1	2	3	4	5
---	---	---	---	---	---

Do you feel overwhelmed by the amount of clutter, or "stuff", in your home?	1	2	3	4	5
---	---	---	---	---	---

Are your current housing costs significantly impacting your budget?	1	2	3	4	5
---	---	---	---	---	---

Are you looking for a lifestyle that requires less home-related responsibility?	1	2	3	4	5
---	---	---	---	---	---

Do you have a clear vision of what you want your next home and lifestyle to be?	1	2	3	4	5
---	---	---	---	---	---

Does this vision for your lifestyle feel more achievable with the support and guidance of a team?	1	2	3	4	5
---	---	---	---	---	---

TOTAL:

What it means

If your answers total **more than 25**, you are likely ready to begin your downsizing journey! Contact us help you create your future in a new, more manageable space that suits your lifestyle.

If your answers are **between 13 and 24**, you are likely in the "considering" phase - you are thinking about it, but not fully ready to commit.

If your answers are **less than 13**, you are not ready to begin your journey just yet.

NEXT STEPS

A complementary in-home consultation can be arranged.

We will talk about:

- What will have the biggest impact
- What will take time to complete
- What can you do and what do you need help with
- Where your effort is best spent
