LISTING CONSULTATION

IT'S ALL ABOUT YOU

Our first meeting is about you. I'll ask about your selling goals and any concerns you have. To make the most of our time, please think about these beforehand. I'll also bring detailed information, including a marketing plan, social media strategy, and a market analysis showing what's currently selling in your neighborhood.

During our consultation, I will:

- Work to understand your selling goals, timeline, and concerns for alignment.
- Share market knowledge, explain the selling process, and answer your questions.
- Offer a detailed marketing campaign overview, social media strategy, and a Comparative Market Analysis (CMA) for real-time market data.

Preparation is Key: Reflect on:

- Your moving timeline: Are you looking for a quick sale or flexible timing?
- Financial expectations: What do you hope to net from your sale?
- Concerns about listing or buying: Write down any questions or worries.

Outcome: By the end of our consultation:

- A clear understanding of the selling process.
- A tailored marketing plan.
- Confidence in my guidance.
- Insight into your property's market value.

From there, we have a few paths we can take:

- We're a Great Fit: We decide to partner up, sign the agreement, and then I'll create a plan to sell your home fast and for the best price.
- I'm Not the Right Fit: If my approach isn't what you need, that's fine. I'm happy to answer any questions and provide referrals if necessary.
- I may choose not to list: I may recommend a different option that better suits your needs. Your success is my priority, even if it means suggesting another path. I'm here to be a resource for you, whether you choose to work with me or not.

To the right, a potted plant sits on a surface, and a small geometric metal side table is visible. The overall atmosphere is calm and sophisticated.

My goal is to
understand your
unique needs and
goals, so we can
create a tailored
plan to achieve
the best possible
outcome for you.

TEN STEPS TO *SOLD*

SIMPLIFYING THE JOURNEY

01

Consultation & Sign Agreement

Sit down with your real estate agent to discuss your selling goals and timeline. You'll review the agent's services and commission, then sign an agreement to officially work together.

02

Home Assessment & Pricing Strategy

Your agent will analyze your home's features, condition, and recent comparable sales to determine its market value. Together, you'll develop a pricing strategy that balances your desired selling price with market conditions.

03

Prepare & Stage Property

Get your home ready to shine! This includes decluttering, deep cleaning, making any necessary repairs, and staging your home to highlight its best features and appeal to buyers.

04

Pre-Marketing, Photography & Implementation:

Professional photos and even videos are a must! Your agent will arrange for high-quality visuals to showcase your home in its best light and begin marketing it to potential buyers.

TEN STEPS TO *SOLD*

SIMPLIFYING THE JOURNEY

05

Listing Launch & Going Live:

Your home's listing goes live on the Multiple Listing Service (MLS) and popular online platforms like Zillow and Realtor.com, making it visible to a wide range of buyers.

06

Showings & Open Houses:

Buyers and their agents will schedule showings to view your home. You might also hold open houses to allow potential buyers to drop in and explore.

07

Receive Offers:

Potential buyers will present their offers, detailing their suggested purchase price along with any additional terms. This process allows sellers to evaluate not just the price, but also the conditions, ensuring they choose the best overall option for their needs.

08

Negotiate & Accept:

You and your agent will review offers, negotiate with buyers (potentially with counteroffers), and ultimately accept the offer that best meets your needs.

09

Inspections & Appraisals:

The buyer usually performs a home inspection to spot potential issues, while the lender orders an appraisal to verify the home's value for financing. Findings from both may lead to further negotiations or credits.

10

Closing Day:

Your last step! You will complete all required paperwork to finalize the sale, transfer ownership of the property to the buyer, and receive your proceeds. Once everything is signed and sealed, you can celebrate the successful completion of the sale. Congratulations!

PRICE IT RIGHT: AVOIDING MARKET *SILENCE*

OVERPRICING YOUR HOME LEADS TO ONE THING: INACTIVITY.

No showings, no offers, just a missed opportunity. Accurate pricing is the cornerstone of a successful sale.

Pricing is a strategic process, not a guessing game. It's the single most impactful decision you'll make when listing your property.

IN THIS LISTING CONSULTATION, WE NEED TO:

- Match your expectations to the real market. Let's analyze current market data and recent sales to establish a realistic price.
- Create a tailored pricing strategy: Working together, we'll develop a plan that positions your home for maximum impact.
- Prevent the "no-activity" scenario: By pricing correctly, we'll generate buyer interest and ensure a timely sale.

THE POWER OF PRESENTATION:

A clean, staged home can significantly boost its value, with studies showing staged homes selling for up to 17% more than non-staged ones. Cleaning and decluttering can also add an average of \$4,000 to a home's value, according to a Zillow study.

First impressions are crucial; potential buyers form opinions within seconds of entering a home. A clean, organized space helps them envision living there, fostering an emotional connection that can lead to stronger offers.

STAGING THAT *ATTRACTS*

THE IMPORTANCE OF STAGING

① Why Stage?

Faster Sale: Staged homes sell faster.

Higher Price: Staging can increase your home's selling price.

Better First Impression: A well-staged makes a lasting impression on buyers.

Easier Visualization: Staging helps buyers envision themselves living in your home.

Cost-Effective: The investment is often less than the price reduction.

② What is Staging?

Decluttering and Depersonalizing: Removing excess furniture, personal items, and clutter.

Neutralizing: Creating a neutral palette that appeals to a wider range of buyers.

Furniture Arrangement: Arranging furniture to optimize flow and create inviting spaces.

Highlighting Features: Showcasing your home's best features.

Creating Ambiance: Adding the final personal touches to make your home look inviting.

② Pros & Cons:

Pros: Staging offers a multitude of benefits for sellers. It can lead to a faster sale, a higher selling price, and increased buyer interest. Staged homes present better online, attracting more potential buyers. Ultimately, staging helps you sell your home more efficiently, potentially saving you time and money.

Cons: While staging offers many advantages, there are a few potential drawbacks to consider. It requires an upfront investment, although this is often recouped through a higher selling price. Staging may also involve some inconvenience as you declutter. Finally, staging requires an objective perspective, which can be difficult for those who are emotionally attached to their belongings and décor.

PRE-MARKETING *STRATEGY*

We know homes get the most attention when they launch on Thursdays, capturing weekend buyers. So, we'll work backwards working towards that, creating a pre-marketing plan to maximize that impact.

MARKETING SCHEDULE

COMING SOON:

Listed online as "coming soon," and signage will be placed. This creates anticipation and early buzz, allowing potential buyers to plan ahead and generating immediate local interest.

DECLUTTER, DEPERSONALIZE, DEEP CLEAN:

Removing 30% of items, including personal photos, creates a blank canvas. Enhance with rugs and greenery. This allows buyers to visualize their own lives in the space, and a clean home shows pride of ownership.

PROFESSIONAL PHOTOS & IMAGERY:

High-resolution photos and video will be professionally edited in Photoshop to ensure optimal presentation. This enhances the visual appeal and highlights the home's best features.

PRINT CAMPAIGN:

Flyers and Postcards. Professionally designed print materials will be distributed to targeted areas, reaching potential buyers through direct mail and local distribution.

SOCIAL MEDIA CAMPAIGN:

Engaging posts and targeted ads will be launched across various platforms. This generates online visibility, drives traffic to the listing, and fosters interaction with potential buyers.

LISTING LIVE ON THURSDAY:

To capture the most weekend buyer interest, the listing will go live. This timing maximizes exposure and creates a sense of urgency.

OPEN HOUSE WEEKEND:

Schedule open houses for the weekend to generate immediate showings. This provides a personal touch and allows potential buyers to experience the home firsthand.

A background image showing a person's hands typing on a laptop keyboard. The image is dimmed and serves as a backdrop for the text.

Our strategy is built on
maximizing your home's exposure
to elevate its visibility,
reaching thousands of
qualified buyers
across diverse platforms.

This approach reflects
the current buyer trends:
a digital-first landscape where
51% find homes online
and 69% rely on mobile.
We complement this with strong
agent representation,
as 86% of buyers still value
their expertise.

TIME FOR *SHOWINGS*

Showings are essential in the home selling process, allowing potential buyers to imagine living in your property. Keeping your home clean, inviting, and clutter-free enhances the showing experience and boosts the chances of a successful sale. Here's how to maximize their impact:

MUST-DOS BEFORE EVERY SHOWING:

To ensure your home is always ready to make a fantastic impression, please remember these essential steps before each scheduled showing:

- Give Space:**

Buyers feel more comfortable and can better visualize themselves in the space when the current occupants are not present.

- Take Your Pets (and Their Evidence):**

While buyers may love animals, not everyone does. Removing pets ensures no allergies or fears interfere. Don't forget to take pet food bowls, toys, and clean up any pet hair or accidents.

- Hide Medications and Personal Items:**

For privacy and security, ensure all medications and sensitive personal items are out of sight.

- Quick Clutter Control:**

If time is short, grab a laundry basket and quickly place any visible clutter into it. If you have time, take the basket with you during the showing. This instantly creates a tierier appearance.

SHOW-READY IN MINUTES: A TIME-BASED TIDY GUIDE

1 HOUR NOTICE

- TARGET HIGH-IMPACT ZONES:**

Living room, kitchen, bathrooms.

- SURFACE SHINE:**

Wipe counters and sinks for a fresh look.

- AERATE & ILLUMINATE:**

Open windows (weather permitting) and turn on all lights. Consider subtle scents.

- FINAL TOUCH-UP:**

Straighten pillows, fold blankets, and do a quick clutter sweep.

30 MIN. NOTICE

- PRIORITIZE KEY SPACES:**

Living room, kitchen, and the primary bathroom.

- CLEAR & CLEAN:**

Remove clutter from visible surfaces (tables, counters, vanities).

- MAKE BEDS:**

Ensure all beds are neatly made.

- QUICK TIDY & LIGHT:**

Straighten visible items, stow shoes/coats, and turn on main lights.

10 MIN. NOTICE

- CLUTTER CONTROL:**

Use a "grab-and-go" basket for immediate clutter removal.

- SPOT CLEAN:**

Quickly wipe away any visible spills or marks.

- LIGHTING CHECK:**

Ensure main lights are on.

- FINAL SCAN:**

Take a quick look for any glaring issues.

THE *IMPACT* OF AN OPEN HOUSE:

While it's true that the majority of homes aren't directly sold during an open house, dismissing them entirely would be a missed opportunity. In today's digital age, the open house remains a valuable tool for showcasing your property and generating crucial interest.

Why It Is Worth Your Time?

BOOSTING ONLINE VISIBILITY:

An open house significantly boosts your home's exposure on third-party real estate websites. Homes with scheduled open houses are often featured more prominently, appearing closer to the top of search results. This increased visibility translates to more online views and potential buyers.

CREATING A BUZZ:

An open house generates immediate local buzz. It signals that your property is available and actively being marketed, attracting attention from neighbors, potential buyers, and even other real estate professionals. This buzz can translate into online activity, with increased views and shares of your listing.

GATHERING VALUABLE INSIGHTS:

Open houses provide valuable feedback from potential buyers. You can gauge their reactions, identify any concerns, and gain insights into how your property is perceived. This feedback can be used to make adjustments to your pricing or staging.

OFFERS & NEGOTIATIONS

SECURING THE *BEST* TERMS

Receiving an offer on your home is exciting! But it's rarely the end of the process. Negotiation is often the next step to reach an agreement that works for both you and the buyer. Here's what to expect:

When you get an offer on your home, it usually includes the price, closing date, things that need to happen for the sale to go through (like getting a loan), what's included in the sale (like appliances), and a deposit from the buyer. To decide if it's a good offer, think about if the price is fair, if the conditions are reasonable, and if the closing date works for you.

AFTER AN OFFER IS SUBMITTED

1

WE CAN:

- Accept the offer

- Decline the offer

If the offer isn't close enough to your expectation and there is no need to further negotiate.

- Counter-offer

A counter-offer is when you, the seller, offer different terms to the buyer.

2

THE BUYER CAN THEN:

- Accept the counter-offer

- Decline the counter-offer

- Counter the offer

You can negotiate back and forth as many times as needed until you can reach an agreement or someone chooses to walk away.

3

OFFER IS ACCEPTED:

You will sign the purchase agreement and you are now officially under contract! This period of time is called the contingency period.

Now inspections, appraisals, or anything else built into your purchase agreement will take place.

FROM *OFFER* TO *CLOSING*

1. ACCEPTANCE & CONTRACT:

BUYER MAKES AN OFFER:

SELLER REVIEWS, ACCEPTS, CREATING A LEGALLY BINDING CONTRACT (1-3 DAYS)

2. DUE DILIGENCE PERIOD:

APPRAISAL: LENDER CONFIRMS PROPERTY VALUE (1-2 WEEKS)

TERMITE/MOISTURE INSPECTION: CHECKS FOR PEST DAMAGE (1-3 DAYS)

3. PREPARATION FOR CLOSING:

SELLER COMPLETES AGREED-UPON REPAIRS (VARIABLE)

TITLE COMPANY VERIFIES OWNERSHIP (1-2 WEEKS)

BUYER'S FINAL WALKTHROUGH (1 DAY)

4. CLOSING:

SIGN ALL PAPERWORK

(1-2 DAYS)

OVERALL TIMELINE:

TYPICALLY 30-60 DAYS (CAN VARY)

FACTORS IMPACTING TIME:

FINANCING, APPRAISALS, REPAIRS, TITLE ISSUES, SCHEDULING

NAVIGATING APPRAISALS

The appraisal process is crucial in real estate transactions, particularly with financing. It includes an independent evaluation of a property's market value by a licensed appraiser, ordered by the lender to confirm the loan amount aligns with the property's worth.

WHAT TO EXPECT DURING AN APPRAISAL:

- Appraiser conducts a thorough inspection evaluating:
 - Square footage and layout
 - Condition of the structure, roof, and foundation
 - Quality of finishes and upgrades
 - Recent renovations or improvements
- Appraisers use recent sales of similar nearby homes ("comps") to determine your home's fair market value
- The appraiser create a comprehensive report and submit it to the lender

POTENTIAL OUTCOMES & CONSIDERATIONS:

APPRAISAL MATCHES OFFER:

If the appraised value matches or exceeds the agreed-upon purchase price, the transaction typically proceeds smoothly.

APPRAISAL BELOW OFFER:

If the appraised value is lower than the offer, it can create challenges.

OPTIONS INCLUDE:

Renegotiating the purchase price

The buyer paying the difference

The seller challenging the appraisal with additional comps

The deal falling through

Timeline: Appraisals typically take 1-2 weeks to complete.

Factors like appraiser availability and property complexity can influence the timeline.

“We were very impressed with Melina's negotiation skills. She was able to secure a fantastic offer for our property, and we felt confident that she was advocating for us every step of the way.”

LISTING AGENT AGREEMENT

Before we list your home, it's important to understand how my compensation works. This listing agent agreement outlines our partnership and ensures a smooth and successful selling experience.

WHAT IS A LISTING AGENT AGREEMENT?

This agreement clarifies our working relationship and how I'll be compensated for helping you sell your home. It's designed to be transparent and upfront.

STARTING WITH A SOLID FOUNDATION

Recent changes in real estate practices emphasize clear communication about agent fees. This agreement ensures we're on the same page from the start.

KEY ELEMENTS OF THE AGREEMENT:

- **My Services:** I will market your property, conduct showings, negotiate offers, and manage the closing process.
- **Your Role:** You will provide necessary information about your property and be available for communication throughout the process.
- **Duration:** The agreement covers a specific timeframe, which can be adjusted as needed.
- **Compensation:** My compensation is typically a percentage of the final sale price or a fixed fee, which we will discuss and agree upon. We'll determine what works best for your situation. Offering compensation to the buyer's agent is your choice and can be negotiated. While buyer agent compensation is no longer listed on the MLS, we can still discuss it directly and negotiate it as part of the offer.
- **Marketing:** We'll discuss and create a tailored marketing plan for your property.

BENEFITS OF A LISTING AGENT AGREEMENT:

- **Clarity:** The agreement provides a clear understanding of our roles and responsibilities.
- **Advocacy:** I'm your advocate, working to get you the best possible price and terms.
- **Customization:** We can tailor the agreement to fit your specific needs.
- **Reduced Stress:** Having a professional on your side simplifies the selling process.

OPEN COMMUNICATION AND NO PRESSURE:

My priority is your comfort and understanding. I encourage you to ask any questions you have about the Listing Agent Agreement. This partnership is built on trust and transparency, and there's no obligation to sign until you're completely ready.

MOVING FORWARD WITH CONFIDENCE:

This agreement sets the stage for a successful sale. Once you're ready to sign, we can officially list your home!

IS IT ESSENTIAL

TO OFFER A BUYER'S AGENT COMMISSION?

Ultimately, the decision of whether to offer a commission depends on your individual goals and circumstances. By carefully considering the pros and cons, you can make an informed choice that maximizes your chances of a successful home sale.

PROS OF OFFERING

A Buyer's Agent Commission

- **Larger Buyer Pool:** Attracts more potential buyers, including those unable to pay their agent's commission.
- **Competitive Advantage:** Increases property appeal, potentially leading to quicker sales and higher prices compared to similar properties without commission.
- **Professional Representation:** Ensures fair representation for buyers, protecting their interests and facilitating smoother transactions.
- **Increased Affordability:** Makes properties more accessible, especially for first-time buyers, attracting more qualified buyers.
- **Reduced Risk of Failed Deals:** A buyer agent helps ensure timely and accurate paperwork, minimizing the chances of deal failures.

CONS OF OFFERING

A Buyer's Agent Commission

- **Financial Investment:** Offering a commission can be an additional cost to sellers. This can reduce their overall net profit from the sale, especially in competitive markets where multiple offers are common.
- **Agent Experience:** Not all buyer's agents are experienced enough to justify the commission. Some agents may be new to the industry or may have limited experience in specific market areas.
- **Reduced Buyer Pool:** Some potential buyers may be unable to afford to pay their own agent's commission. This can limit the number of interested buyers. As a result, the seller might receive fewer offers or have to wait longer to find a buyer.

I want you to feel assured about our strategy.

- Is there anything that still raises questions for you?
- Do you believe this is the right strategy to get your home sold?

I am confident that we can reach your objectives together.
