THE FAQs

01/ HOW DO YOU GET PAID?

As of 2024, buyer agent compensation is negotiable and can vary depending on the property and agreement with the seller. I'll walk you through what this looks like upfront so there are no surprises — and we'll discuss your options before we ever tour a home.

02/ WHAT IF I'M NOT SURE IF I'M READY TO BUY?

Totally normal! I can help you explore what's possible, set up a custom search, and share resources to prepare — no pressure, just information to help you feel confident when the time is right.

03/ HOW DO I KNOW WHAT I CAN AFFORD?

Start with a free mortgage pre-approval — I can connect you with trusted lenders who'll walk you through your numbers and help define your price range. I also include a simple home budget calculator in this guide!

04/ WHAT IF I HAVE A HOUSE I NEED TO SELL FIRST?

No problem — I help clients buy and sell all the time. I'll walk you through timing, prep, and pricing so we can make a plan that feels smooth and stress-free. Whether you need to sell first, buy first, or do both at the same time, I've got you.

05/ IS RIGHT NOW THE BEST TIME TO BUY?

The best time to buy is when it aligns with your goals. I'll help you understand what's happening in the [City Name] market and guide you through timing, strategy, and next steps based on your situation.

THIS ISN'T MY FIRST RODEO...

Buying or selling a home is a big deal — and I don't take it lightly. I've helped people just like you make their move to Fort Lauderdale and surrounding areas for over 19 years! I'm proud to say that most of my business comes from referrals and happy clients coming back again.

THE “JUST BROWSING” BUYER BLUEPRINT

1-2 YEARS OUT? PERFECT.

Buying later doesn't mean you have to wait to get organized. In fact, this is the best time to lay the groundwork so when you're ready, you're not starting from scratch — you're ready to move.

WHAT TO FOCUS ON NOW:

- **Check your credit score** and work on improving it (ideally 700+ for best loan options)
- **Open a high-yield savings account (HYSA)** and start putting aside money for your down payment, closing costs, and moving expenses
- **Use a home affordability calculator** to get a ballpark of your budget
- **Explore neighborhoods** and get clear on your lifestyle must-haves
- **Set up a VIP Home Search** with me so you can watch the market in real time and learn what your money can get you

HOW TO FIND OFF-MARKET HOMES

Not everything worth buying is on Zillow.

In competitive markets (or if you're searching for something super specific), waiting for the perfect listing to pop up on the MLS isn't always the move.

HERE'S HOW I HELP CLIENTS GET AHEAD OF THE CROWD:

Targeted mailers to homeowners in neighborhoods you're eyeing

Tapping into agent-only networks where homes are shared before they hit the market

Social campaigns to attract potential sellers who haven't listed yet

Personal outreach to past clients or contacts who might be a match

Because you deserve an agent who doesn't just **set up a search and hope for the best.**
