YOUR HOME MATCH CONSULTATION

It starts with a single conversation. Here is what we will cover together.

Your dream home might not be on the market yet.
Our Home Match System has a way of finding it anyway.

1 YOUR TARGET NEIGHBORHOODS

We will map out the exact streets, towns and areas where you want to be. The more specific, the more targeted and powerful our outreach becomes on your behalf.

2 WHAT YOUR PERFECT HOME LOOKS LIKE

Must-haves, deal-breakers, wishlist. We build your complete search profile so every home we surface is one worth your time and attention.

3 YOUR TIMELINE AND FINANCING

Whether you are ready now or planning ahead, we will align your search strategy with your real timeline so nothing moves too fast or too slow.

4 YOUR STORY

What is driving this move? Have you lost out before? Understanding your situation helps us advocate for you the right way when the moment comes.

5 HOW WE GO TO WORK FOR YOU

We walk you through exactly how the Home Match System activates on your behalf so you know what to expect and when to expect to hear from us.

HOW THE HOME MATCH SYSTEM WORKS

Other agents wait for the right home to hit the market. We go find it before it does.

WHY IT MATTERS: According to NAR, 56% of buyers feel finding the right home is the hardest part. That is exactly what we solve.

1

PERSONALIZED OUTREACH

We Write. We Ask. We Find.

We write personalized letters directly to homeowners in your dream neighborhoods, asking if they would consider selling.

This reaches homes that will never hit the public market. You get access to sellers nobody else even knew existed.

2

THE PROSPERITY NETWORK

550+ Connected NJ Agents

Through our KW Prosperity Network, 550+ connected agents transacting across New Jersey give you early access to homes before they ever hit the public market.

When something matches your criteria, you hear about it before anyone else does.

3

THE SCOTT STEWART HOMES NETWORK

Nearly 2,000 Contacts. Active on Your Behalf.

Our team actively publishes your specific home criteria to nearly 2,000 contacts across North Jersey including agents, homeowners and community members.

Sometimes the perfect seller is someone who just needed the right buyer to find them.

4

YOUR DEDICATED STRATEGY

Built Around You - Cancel Anytime.

We build a search strategy around exactly what you need, not what is leftover on Zillow.

Your criteria, your timeline, your must-haves. We stay active on your behalf until we find the one. No obligation. No penalty.

A REAL STORY FROM THE HOME MATCH SYSTEM...

Our buyers wanted a home with a large garage in one specific neighborhood. Nothing was available. We sent personalized letters to homeowners there. One called us just before they were ready to list. We negotiated an off-market deal. No bidding war. No competition. They got exactly what they wanted.

This is what the Home Match System does

OUR COMMITMENT TO YOU

We work on your behalf until we find the right home. No pressure. No obligation. Cancel anytime before an offer is accepted. Your search. Your terms. Your timeline.
