

SELL IT FAST

A 30 DAY PLAN TO PREPARING
YOUR HOME TO SELL FAST

real

so it's time to sell

TAKE THE NEXT 30
DAYS TO PREPARE
YOUR HOME FOR THE
MARKET.

Don't list it without any advance preparation. A few minor touch-ups can go a long way towards making a favorable impression on potential buyers — and perhaps cinching a deal.

Put your buyer's hat on and walk thru your home like it is the first time, make notes on what you, as a buyer, would notice and then repair or replace those items.

I have made a 30 day plan for you so you don't get overwhelmed and can take it one day at a time!

Please reach out with any questions, and know that I will be checking in throughout the 30 days.

Amanda

real

ready...set...GO...

day 1

Day 1: Change light bulbs and update light fixtures: It's easy to forget about all the bulbs that have burned out over the years, but you want your home to be as bright as possible. Lighting makes an incredible difference in how a home looks to potential Buyers. If you have dated light fixtures (it's OK, a lot of us do), take a quick trip to IKEA or Home Depot and pick up some modern ones.

day 2

Day 2: Prepare the paperwork: Buyers and agents are going to ask a lot of questions, so start digging out the paperwork now: utility bills, tax bills, renovation details, warranties, mortgage details, survey and rental contracts.

day 3

DAY 3: MAKE AN EXTRA SET OF KEYS: PROSPECTIVE BUYERS AND THEIR AGENTS WILL NEED TO ACCESS YOUR HOME, SO YOU'LL NEED AN EXTRA SET OF KEYS.

day 4

Day 4: Get boxes and tape: A big part of the adventure you're about to embark on involves reducing clutter and packing up the unnecessary items. If you're going to be moving a lot of stuff out of your house for the sale, consider renting a POD storage locker – you fill up at your house, it gets carted away, stored and delivered to your new home when you move in!

day 5

DAY 5: TACKLE THE BATHROOMS: REMOVE ALL THE TOILETRIES YOU HAVE ON DISPLAY. INVEST IN SOME NEW WHITE TOWELS (AND NO, YOU DON'T GET TO USE THEM).

THINK ABOUT PURCHASING SOME AFFORDABLE ACCESSORIES: SOAP DISH, TOOTHBRUSH HOLDER, ETC. IF YOUR TOILET SEAT, SHOWER CURTAIN OR BATH MAT ARE IN NEED OF REPLACEMENT, REPLACE THEM. CONSIDER REPLACING THE TOILET PAPER HOLDER AND TOWEL RACK/HOOKS TOO IF THEY OLD, DATED, OR NOT FUNCTIONING.

day 6

Day 6: Declutter the kitchen: The kitchen is one of the rooms Buyers are most attracted to so if you're looking to skip a room, this shouldn't be it. Remove your blender/George Foreman Grill/Kitchen Aid mixer/toaster/bread machine from the counters – you want the counters to be as clear as possible. Clean inside all the cupboards (remove everything and wipe them out). Don't cram all your dishes and food back in – again, you want to convey to Buyers that your kitchen has enough storage for the Buyer's stuff. Clean inside the fridge (and remove the magnets, photos and reminders). Turn on your self-cleaning oven. Store your alcohol/wine collection (and take out the empties). Consider investing in some fresh flowers and a beautiful bowl with some fresh fruit in it.

day 7

Day 7: The Bedrooms: The bedrooms should be inviting, and that means more cleaning and decluttering and investing in a few props. If you don't already have one, invest in a neutral-coloured duvet cover and some new fancy pillows. Straighten the bookshelves. Remove personal photos, knick-knacks and personal grooming products. Clean out the closets. Consider getting an area rug if the floors are cold. If you've jammed in a dresser or armoire that doesn't really fit into the space consider storing it offsite.

day 8

Day 8: Tackle the living room:

Clean the sofa and chairs and purchase some new throw pillows. Consider getting an area rug to bring the room together. Hide the magazine rack and all the clutter that has accumulated. Hide the wires from your TV/stereo/speakers.

day 9

Day 9: Dining Room

Remove the kids' homework and the piles of stuff that have accumulated on the dining room table. Clean up the hutch. If your dining chairs have seen better days, consider getting them reupholstered. Invest in a new tablecloth to hide an old table.

day 10

Day 10: De-clutter, organize and clean the basement

Whether your basement is finished or just a storage area for extra stuff you'll need to invest the time to make it look as spacious and clean as possible. And what a great way to rid yourself of all that stuff you never use.

day 11

DAY 11: STORE VS. DONATE VS.
THROW AWAY

IT'S A PAIN (AND EXPENSIVE)
TO STORE ALL THE STUFF YOU
DON'T REALLY NEED.

day 12

Day 12: Tackle the closets and storage areas: Much as I'd love to say that you can cram all the stuff you don't want on display into your closets, Buyers will open your closets. They'll look in your cupboards. The last thing you want is for Buyers to think there isn't enough storage in your home, so take the time to pack away what you don't need in the immediate future.

day 13

Day 13: The Entrance

Remember that most Buyers will have an emotional reaction to your home within 15 seconds of entering it, so what they experience at the entrance is CRITICAL. You want your entrance to be clean, de-cluttered and inviting. And no, you won't really wear all your shoes and coats while your house is for sale, so be disciplined and store things away. If you don't have a hall closet, don't pile 15 coats on a coat rack – that's just drawing attention to your lack of a closet.

day 14

Day 14: Get rid of all the things that make your home yours:

Ouch, I know it hurts to read that. You want your house to appeal to as many Buyers as possible, and that will only happen if they can picture their own stuff in your house. Get rid of all the family photos, the collections and the souvenirs from your trip to Asia. Walk through every room in your house and pretend you're a Buyer. If what you see helps people get to know you, remove it.

day 15

Take a day off!

day 16

Day 16: Paint Touch-ups and Re-painting

A fresh coat of paint is one of the cheapest ways to freshen up your home. Bold colours are bound to be a turn-off to some Buyers, so to appeal to the most people possible take the time to re-paint that red bedroom and blue bathroom. (Tip: light colours will help small rooms look bigger). Don't forget about baseboards and ceilings – they might need some paint too.

day 17

Day 17: Repair what you've been avoiding
We all have that list of repairs and fixes. Now's the time to get to it, including fixing the leaky faucet, the picture holes in the wall, etc. and get it done once and for all. If you aren't handy yourself, bring in a handyman to take care of it (we know some good ones, we can help).

day 18

Day 18: Get the windows cleaned
Ask us for some companies we trust if you're interested in having a professional come clean your windows.

day 19

DAY 19: FOCUS ON THE FRONT YARD

CURB APPEAL MATTERS AND WILL SIGNIFICANTLY IMPACT PEOPLE'S FIRST IMPRESSION OF YOUR HOUSE. STAND ON YOUR STREET AND TAKE IN YOUR FRONT YARD: WHAT DO YOU SEE? AT A MINIMUM, CLEAN THE SCUFF MARKS OFF THE FRONT DOOR AND TOUCH-UP THE CHIPPED PAINT OR GIVE IT A FRESH COAT. AND IF YOUR FRONT DOOR HAS SEEN BETTER DAYS, CONSIDER PURCHASING A NEW ONE. IF YOU HAVE A FRONT PORCH, MAKE IT LOOK INVITING (AND NOT JUST A RECEPTACLE FOR MORE OF YOUR STUFF). PURCHASE SOME SEASONAL PLANTS. CLEAN UP THE GARDEN. A LOT OF BUYERS WILL SEE YOUR HOME AT NIGHT, SO MAKE SURE THAT YOUR OUTDOOR LIGHTING IS SHOWING OFF YOUR HOME.

day 20

Day 20: Your backyard

What you can accomplish in the back yard will, of course, depend on what time of year you sell. If you're selling in the spring/summer: clean up the gardens, trim the trees, cut the grass, stain the deck and clean the patio furniture and BBQ. If it's winter: do your best to make it look presentable. If you have a garage: tidy it up and fix any peeling paint and the sagging roof.

day 21

DAY 21: GET THE CARPETS
CLEANED

UNLESS YOUR CARPETS
ARE BRAND NEW, YOU'LL
WANT TO HAVE THEM
STEAM CLEANED (OR DO
IT YOURSELF). YOU'LL BE
AMAZED AT WHAT A
DIFFERENCE IT MAKES.

day 22

DAY 22: DON'T FORGET
ABOUT THE FLOORS

YOU'LL NEED MORE THAN
A SWIFFER TO GET INTO
ALL THE CORNERS AND
CRACKS. IF YOUR FLOORS
ARE SCRATCHED, THERE
ARE SOME GREAT
PRODUCTS OUT THERE TO
MAKE THEM LOOK
ALMOST-BRAND-NEW.

day 23

Day 23: Tackle the walls and doors

If your walls and doors are scuffed, buy some Magic Erasers and go to town. You'll wonder why you didn't do it sooner. If your art needs an update, now's the time to do it too.

day 24

Day 24: The final clean

By now you're probably exhausted..sorry about that. While you can do this final step yourself, we always like to suggest bringing in professional cleaners who will make sure to clean all the spots we usually miss.

day 25

Day 25: Make plans for the kids and the dog/cat

Buyers typically don't want to look at all your kids' toys, finger painting, or works of art, so put it all away and make a plan to keep it concealed. I love my dogs too, but prospective Buyers won't appreciate the barking/jumping. Make a plan to get your pets out of the house: Doggie daycare? Grandma and Grandpa? Multiple walks.

day 26

Day 26: Staging day!

If you're working with a professional stager, this is usually the day they will come and stage the house. They'll move, rearrange, and add furniture accessories to make your home look it's best. Pro staging has been proven to help homes sell faster and for more money .

day 27

Day 27: Make your home smell good

If you're a dog owner, wash any couches, beds and surfaces where the dogs sleep. You may not smell him anymore, but Buyers will. Tuck the litter box away (and clean it twice a day while your home is on the market). Use a light room spray on EVERYTHING. Consider lighting some candles (but avoid strong air fresheners).

day 28

Day 28: Get a pre-listing home inspection (optional)

It's not fun to find out what's wrong with your house at the negotiating table, so arm yourself with the information before you list your home. You can either fix the problems before you list your home, or factor it into your asking price and expectations.

DAY 29: PHOTOGRAPHY

WHEN YOUR HOUSE IS DE-CLUTTERED, CLEANED AND READY FOR PRIME TIME, IT'S TIME FOR THE PHOTOGRAPHER TO WORK HIS MAGIC. THIS WILL HAPPEN A FEW DAYS BEFORE YOU LIST YOUR HOME FOR SALE, AND MAY INCLUDE A VIRTUAL TOUR OR VIDEO.

day 29

Final day!

day 30

Day 30: The final once-over

You've worked hard, and now it's time to step back and admire your work. How does it look? Do you see anything that might distract or turn off a Buyer? Take one final walk through all the rooms and adjust as necessary. Now...Don't. Touch. Anything. ;)

Thank you for choosing me to guide you through this exciting time. I take great pride in my work and want you to know that I will do everything in my power to protect you and your investment. I'm excited for this opportunity and can't thank you enough.

Talk soon!
