# Happy Holidays!

It's officially the most wonderful time of the year in the city! 🎄✨

Between tree lightings, festivals, parades, pop-ups, and all the holiday magic happening around Houston, it can be hard to keep track of everything—and even harder to decide what's actually worth your time.

So I pulled together some of my favorite holiday events and experiences across the area to make planning easy for you.

A few of these are Houston staples you probably know and love, and a few might be new finds you haven't tried yet—but all of them are perfect for making the most of the season.

As we wrap up the year, let's soak up the holiday energy and make some memories. I hope this list gives you plenty of ideas to do just that. 💙
