One of the best decisions I have ever made was choosing Matthew as my agent. He was patient (because I was very picky), knowledgeable in what we were looking for and location choice. Matt made sure all necessary information was communicated to us in a timely manner. He saw all the plusses and the negatives we didn't even think of looking for. There was never a dull moment with him because he was always pleasant and courteous. My one word to describe his service, exemplary.

Full-Service Excellence

Matt was an A+ excellent agent. He was extremely dedicated and was there with anything and everything. His attention to detail and follow up was top notch. He was fabulous to work with and I would highly recommend. My husband and I very much enjoyed working with him and he made everything very easy and enjoyable. Best agent!!

I have worked with Matt to both purchase a home and sell one and I cannot say enough great things about him. Matt really works for you. I am a person who ask a lot of questions, and he is ALWAYS patient, and if he doesn't know the answer he finds it fast. He also never makes you feel like you are being unreasonable. Whether it's the long list of things you want in a house, or what you have in mind for the asking price when selling a home he works with you. ESP with this most recent sell, Matt really came through for me and got my asking price. Anyone I know who even mentions wanting to purchase or buy a home I passing out Matts card. I highly recommend Rick Cox Realty Group and especially working with Matt. See you all again when I purchase my next home

What can I say about Matt? He is a gem of a realtor. Extremely hands on and attentive. My family and I were moving from out of state and Matt would personally go to houses we were interested in and send us walk through videos. During a very special weekend for him and his family he still managed to get us all scheduled for viewings while we were in town and made time for us. He is truly a joy to work with. So positive, listens to his client, and doesn't miss a detail. Run, do not walk, and use him as your realtor!
